Regionals

Part of what's great about Regionals is that the meet gives all those swimmers who are working on their State times a chance to race together and score for their team. Another thing about Regionals is that it's the final opportunity for the swimmers to make a State time and often brings out the best in them. SAC was well represented in quantity and quality at the Westside Silverfins YMCA pool for the 2012 LC Regional meet. The number of PR's were prolific from all the age groups. The 10 & Unders were led in points by Jake Reith and Lilly Nolan; 11-12s by Taylor Jones and Zachary Becker; and 13-14s by Sarah Dorsch and Josh Freed. We showed lots of moxie, coming up with first-time state qualifying swims by Jade Vasselina, 10, Zara Brundage, 9, Ryan Bonow, 11, and Ashley Coy, 13.

SAC came up with the Gold many times throughout the meet. Daphne Misquez, 10, (50 Fr), Sam Milewski, 13, & Kate Hostal, 11, (400 IM), Audrey Madura, 11, & Megan Balsbaugh, 13, (1500 Fr), Anna Hostal, 13, (800 Fr), Zach Becker, 12, (50 Bk, 50 Br and 400 Fr), and Sarah Dorsch, 13, (50 Fly) were all winners in the scoring division. The fantastic news for SAC's future is how many 8 & Us were well-qualified for the meet - nearly 1/3 of our 10 and unders were actually 8 or younger. Already looking forward to the short course season!

Sectionals was held at the aquatic center at Mt. Hood Community College located in Oregon.

Age Group State

This year was one of the most interesting state meets we have had in recent history. The meet was originally scheduled to be held at ASA, but it was moved to Chandler High School. The weather was hot and humid, and Saturday Finals was cancelled because of lightning.

Some of our highlights included Taylor & Hunter Ruck each winning 6 events. Ally Yancy won 5 events. Madison LeBlanc won 2 individual events. Ryan Hoffer won 2 individual events, including a State Record swim in the 50 Back. Isabella Wylie also won 2 individual events
